WELCOME TO CHESAPEAKE UTILITIES CORPORATION!

Recently, Chesapeake Utilities Corporation acquired Elkton Gas as a wholly-owned subsidiary. This is a great fit for our Company and we are excited about our prospects for natural gas distribution expansion in this growing area. We look forward to serving you as our valued customer.

Chesapeake Utilities Corporation has served the Delmarva Peninsula for more than 160 years. We are committed to customer service and the safety of our customers, employees and communities. Our Company and its employees are also dedicated to the economic and social initiatives of our local communities. We have an existing footprint in Cecil County, MD and we plan to become engaged in areas that serve the needs of our new customers in Elkton in the coming years.

We believe in communicating with our customers on a consistent basis. With that in mind, we offer the information below to make this transition as seamless as possible:

- ▶ Customer Service: **866.281.6483**
- ▶ For your convenience, there are several ways you can pay your utility bill. Please visit **www.ElktonGas.com** and click the "Manage My Account" button to decide which option is best for you.

Enclosed is information about Chesapeake Utilities Corporation and our commitment to the communities we serve. Please take the time to visit **www.ElktonGas.com** for additional information.

The team at Chesapeake Utilities Corporation welcomes you and appreciates the opportunity to be your energy provider and community partner!

Sincerely,

Jeff Sylvester
Senior Vice President
Chesapeake Utilities Corporation

Shane Breakie
Vice President
Chesapeake Utilities Corporation
